

**“ASME - Where Passion Meets Engineering Excellence”**

Title: **Orientation program**

Mode: **Online**

Platform: **Google Meet**

Date: **14th September, 2022, Wednesday.**

The American Society of Mechanical Engineers(ASME) is an American professional association that, in its own words, “promotes the art, science, and practice of multidisciplinary engineering and allied sciences around the globe” .To give newcomers insight about **ASME Cummins Student Section** an **Orientation Session** was organised on 14th September.

The session began at 6pm with a cordial welcome from **Ms. Prajakta Joshi**, Chairperson of the team. The exordium of the presentation explained the significance of ASME and its contribution to the **World Standards**.

Further in the presentation the **hierarchy of ASME Sections** was explained followed by giving a brief idea about evolution of ASME starting from foundation up to its establishment in Cummins college.

The presentation was continued with the introduction of ASME’s faculty advisor Dr. Yashwant Munde followed by introduction of the Executive team of the year 2022-23. Details were shared regarding ASME Magazines and ASME CCOEW Newsletters.

Later, the session informed the attendees regarding the procedure to become an ASME Member. Video was displayed in which **ASME Membership benefits** such as conferences, journals, books, Access Engineering, Case studies, SmartBrief, ASME News, ASME Career Centre Mentoring Program, Student Competitions and Events, Scholarships and much more were explained.

Next, information was shared about **ASME E-Fest** and **ASME E-Fest Digital** in which seniors who had participated shared their experience and encouraged the attendees to participate in upcoming events. They were also briefed about **Highlights** of events conducted by ASME Cummins Student Section throughout the years.

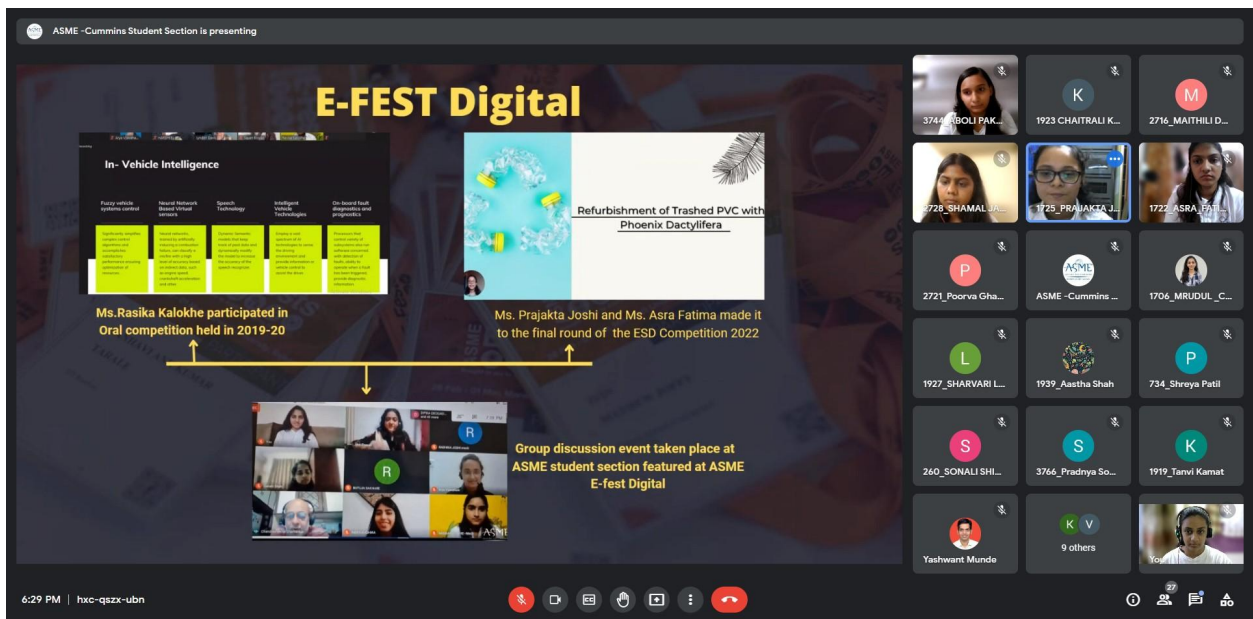

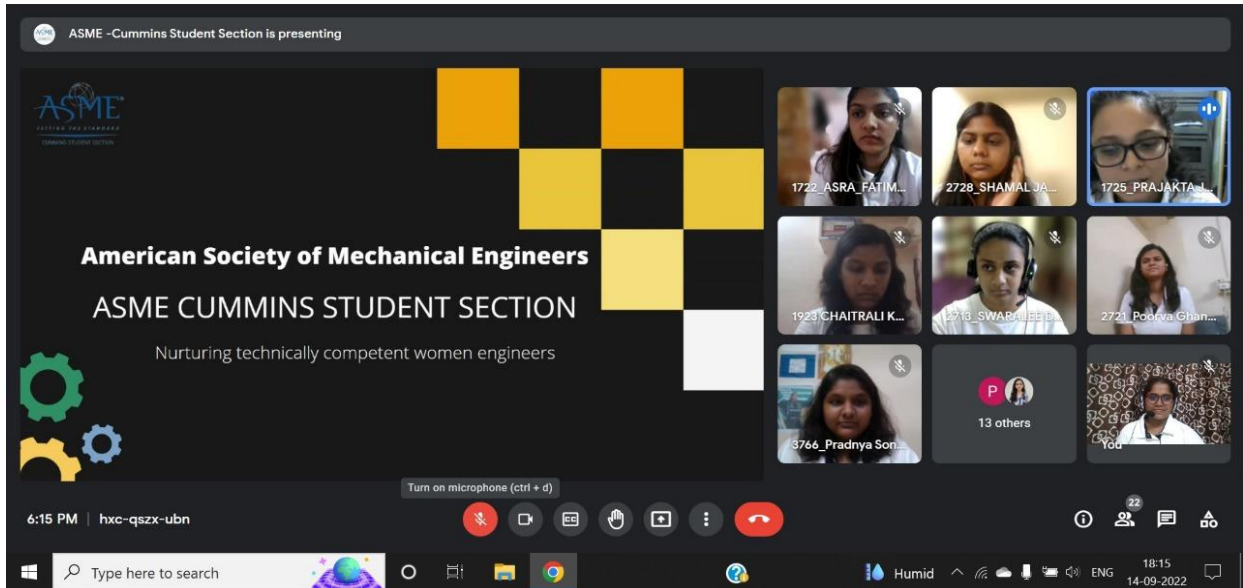

Further

In the presentation, newcomers were given an idea about previous **industrial visits** and they were excited to learn that ASME had planned the same for them as well.

## ASME Cummins Student Section 2022-23

Towards the end of the presentation attendees were briefed about **ASME CCOEW Connect Program** which was started to connect with seniors and alumni and the programme's benefits were explained. **Social media handles** were shared and the session ended with a **query session**.

With a response of upto 30 attendees the orientation was concluded at 6:45 pm with a vote of thanks.
